

Thank You from the 4 Season GivingTree

Together, we supported 55 families, providing gifts, food gift cards and other resources to 190 individual family members through donations from over 100 community members and local businesses. The generosity and support was incredible and I would especially like to thank the delivery "elves" that helped make the logistics possible! You have all proven that even a global pandemic cannot stifle goodwill for one another and your efforts have made a huge impact in the lives of these families.

The program will continue to support those in need throughout the year, with a focus on upcycling gently used items to the families in need. If you have not already and would like to be involved, please complete the following form [here](#).

As we wrap up 2020, I wish each and every one of you peace, health, goodwill and prosperity in 2021.

Thank you for your kindness, love, and immense contributions.

- Lauren Laimon, Founder
