4 SEASON GIVING TREE

This year, the 4 SEASON GIVING TREE officially became a non-profit organization thanks to your amazing partnership.

For the 2021 holiday season, our team supported 76 families, providing gifts, food gift cards and other resources to 330 individual family members.

In comparison, last year, we supported 55 families/190 individual family members.

This growth represents nearly a 40% year over year increase, proving the “power of the pack” through donations from hundreds of local community members and businesses.

Together we make a very powerful difference. The generosity from our community was incredible, and you are making a huge impact in the lives of these families. You are a voice for the unheard and are paying goodwill forward to our fellow neighbors in need.

The 4 SEASON GIVING TREE will continue to support those in need throughout the year, with a focus on upcycling gently used items to the families in this program. If you have not already and would like to be involved, please visit www.4seasongivingtree.org, and join our Facebook Group to hear about community needs in real time.

As we close 2021, I wish each and every one of you peace, health, goodwill and prosperity in 2022.

Thank you for your kindness, generosity, and unwavering support.
